ABOUT DPBH

MISSION

To protect, promote, and improve the physical and behavioral health and safety of all people in Nevada, equitably and regardless of circumstances, so they can live their safest, longest, healthiest, and happiest life.

VISION

A Nevada where preventable health and safety issues no longer impact the opportunity for all people to live life in the best possible health.

PURPOSE

To make everyone's life healthier, happier, longer, and safer.

ALL IN GOOD HEALTH.

NV Health Force

NEVADA DIVISION of PUBLIC
and BEHAVIORAL HEALTH

Purpose

- Exposes visitors to the vast career opportunities and career growth in public, primary and behavioral/mental health care industries.
- Informs and showcases a variety of educational and training resources (i.e. scholarships, programs, events, etc.).
- Connects visitors to workforce development partners.
- Assist visitors in identifying a career path and developing a career trajectory plan.
- Links and maintains health workforce data to inform current workforce development needs and HPSAs.
- Developed to dually serve both DPBH employees as well as is a resource for the community.

ARPA NEVADA WORKFORCE SCHOLARSHIPS

EXPLORE SCHOLAR OPPORTU

A blue-tinted photograph of a family walking outdoors. In the foreground, a young girl with curly hair is smiling and riding a scooter. She is wearing a white polo shirt and a white helmet. Behind her, a man and a woman are walking, looking towards her. The man is wearing a dark t-shirt and jeans, and the woman is wearing a striped shirt. They are on a paved path with trees and a house in the background.

ENVIRONMENTAL HEALTH SPECIALIST I	51.0k	<ul style="list-style-type: none"> Bachelor's degree from an accredited college or university which includes the satisfactory completion of at least 45 quarter hours, or 30 semester hours, of academic work in science courses, including biology, chemistry, physics, geology, sanitary engineering or environmental engineering.

Website Exposure, Marketing & Collaboration

NEVADA DIVISION of PUBLIC
and BEHAVIORAL HEALTH

- Hard Launch Goal: **January 2025**
- Conduct outreach efforts to inform students and showcase the different health care industries.
- Maintain and establish new partnerships with colleges and universities throughout the state to promote internships, fellowships and job opportunities.
- Collaborate with industry partners to update agency/organization information, listing of current programs and resources.
- Currently we are devising social media plans and campaigns to capture learners from all walks of life and intend to utilize partnerships and other communication avenues to bring awareness.

Final Thoughts

- Sustainability for workforce development efforts.
- Building a cohesive and comprehensive pipeline beginning at the early exposure stages.
- Reconvening the Health Care Workforce Pipeline Working Groups.
